PEACH:

Hey everybody! My name is Peach, and I'm a Peach. I may just be a piece of fruit, but I have dreams. Dreams of being something really, really cool!

Breaking news! I cannot find my shoes.

Are you a robot?

This grass smells like green.

CentriKid is really, really cool!

I found a dollar in my pocket. I don't know how it got there.

Please add any additional ad-libs you feel would give us an idea of how great your Peach voice can be.
